- *Durable design:*
Solid aluminum construction enhances workspaces
- *Simple set-up:*
Ships fully assembled for ultra-easy desk installation

RAMP UP ERGONOMIC COMFORT FOR A GREAT PRICE

This dynamic monitor arm offers flexible screen positioning with an affordable design. To change the monitor's height, push the side button and lift the display, then position it in the most comfortable spot. The arm can extend out 19" (49 cm) and provides 180° tilt and 360° rotation.

Neo-Flex LCD Arm

- 1 Attach your LCD to the arm with four screws. Then position the height and angle of the LCD for maximum comfort and productivity.
- 2 To change height of display, depress button on side of arm while positioning screen at desired height.
- 3 Cables are guided along the underside of arm for a clutter-free desk.
- 4 Desk Clamp attaches to surface edge up to 1.8" (4.6 cm) thick; Grommet Mount attaches through hole up to 2" (5 cm) wide and up to 1¾" (4.4 cm) deep

The Neo-Flex LCD Arm is compatible with LCDs or TVs that are VESA compliant. Simply remove the existing base of the LCD and attach the LCD to the arm.

Part # (color)	45-174-300 (silver)
Includes	Arm, extension, base, desk clamp, grommet mount, attachment hardware, spacers (for LCDs with recessed interface)
