

TSB238EU | Targus 16 inch / 40.6cm Drifter™ Backpack

The Targus Drifter Backpack is an extremely tough and durable case designed to carry and protect laptops up 16" screen size with spacious compartments and multiple pockets to carry your belongings. A padded laptop compartment keeps your device secure and separate from other items and the expansive main compartment includes a divider and a mesh accessory pocket. Behind the reinforced grab handle there is a scratch-resistant pocket perfect for storing fragile accessories such as glasses.

Targus Drifter backpack features a water resistant base, heavy zipper pulls and a reinforced molded grab handle. Heavily padded shoulder straps provide carrying comfort and include a removable mobile phone pocket large enough to hold an iPhone or BlackBerry. Thick padding on the back panel features a large hidden zippered compartment which is strategically placed to provide lumbar support for your back.
