

WorkForce Enterprise

WF-C20750 D4TW

With print speeds of up to 75ppm this eco-responsible MFP offers impressive reliability and high print yields, reducing operational costs

Print up to 100,000 pages in mono or 50,000 in colour without changing the supplies. This reliable, low maintenance 4-in-1 device² offers high-speed performance, superior image quality, all with significant sustainability advantages over laser models.

Superior quality at high speeds

The WorkForce Enterprise WF-C20750 delivers superior image quality at print speeds of up to 75ppm and a first copy out time (FCOT) of 5.4 seconds.

Super high ink yield

Print up to 100,000 pages in mono or 50,000 in colour without changing the ink supplies.¹ This means there is even less need for user intervention. Through fewer consumables and supplies, it also produces less waste. With low power consumption, the overall environmental impact of printing is cut dramatically.

Robust, high-end finishing capability

With advanced finishing such as booklet finisher and hole punch options, this device offers advanced finishing capability. It also offers a high paper capacity of up to 5,350 pages, increasing productivity further.

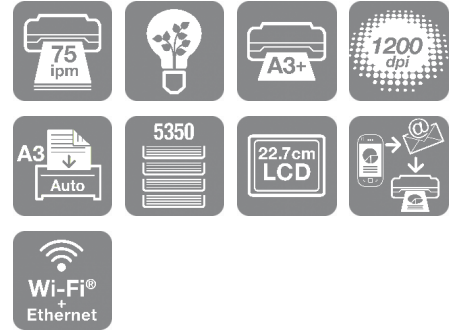

Heat-free technology

Epson Heat-Free Precision Core Technology requires no heat to warm up when it is switched on or awoken from sleep, which significantly reduces energy consumption. This allows Epson's Heat-Free inkjets to deliver an exceptional FCOT compared to laser technology.

Advanced software solution compatibility

A variety of software solutions can be integrated into existing IT infrastructure to improve efficiency. This includes Epson's new Epson Remote Services (ERS) which offers cloud-based device monitoring and management system that delivers advanced remote diagnostics for Epson business products.

DATASHEET / BROCHURE

KEY FEATURES

- **Faster performance**
Fast FCOT of 5.4 seconds and print speeds of up to 75ppm
- **High capacity ink yield**
Users can print up to 100,000 pages in mono or 50,000 in colour without changing the ink supplies
- **Improved finishing capability**
Advanced finishing such as booklet finisher and hole punch options
- **Powerful scanning capability**
Thin paper support and improved scanning quality
- **Works with Epson Remote Services**
Cloud based, advanced diagnosis of Epson printers and MFPs

SUPPLIES

| | | | |
|--|------------|--------|-----|
| ● WorkForce Enterprise WF-C20750 Magenta Ink | C13T02S300 | 50,000 | () |
| ● WorkForce Enterprise WF-C20750 Yellow Ink | C13T02S400 | 50,000 | () |
| ● Maintenance box | C13T671300 | | |
| ● WorkForce Enterprise WF-C20750 Black Ink | C13T02S100 | 50,000 | () |
| ● WorkForce Enterprise WF-C20750 Cyan Ink | C13T02S200 | 50,000 | () |

OPTIONAL ACCESSORIES

- WorkForce Enterprise Booklet Finisher
C12C935071
- WorkForce Enterprise Staple Finisher
C12C935501
- WorkForce Enterprise Saddle Unit
C12C935801
- WorkForce Enterprise Finisher Bridge Unit
C12C935101
- WorkForce Enterprise 2/4 Hole Punch Unit
C12C935171
- Super G3/G3 Fax Board
C12C934491
- EpsonNet 10/100/1000Base Tx Int
C12C934471
- 3000-sheet High Capacity Paper Tray
C12C933041
