

HyperX Cloud Flight - Wireless Gaming Headset (Black-Red) (4P5L4A6)

Overview

Reliable wireless freedom with long-lasting battery life.

Escape the limits of cable connections and roam free with the wireless HyperX Cloud Flight™. With a solid, gaming-grade wireless connection, incredible 30-hour^[1] battery life, and signature HyperX comfort, Cloud Flight allows you to play uninterrupted for longer. Easily monitor battery life and adjust mic and output volume with the HyperX NGenuity software. The closed cup design helps keep you immersed, while the durable steel slider and high-quality construction mean it's built to withstand daily wear and tear. This headset is PC, PS5™, and PS4™ pro ready with a 2.4GHz wireless connection. The ear cups rotate 90° to rest comfortably around your neck during breaks, and feature convenient controls for LED effects, mic mute, power, and volume. The detachable noise-cancelling mic helps ensure that your communications are heard crystal clear, and Cloud Flight has been certified by TeamSpeak and Discord.

Gaming-grade wireless with extra-long battery life

Solid wireless connection and 30-hour^[1] battery life allow you to keep your gaming sessions on your PC, PS4™, and PS4™ Pro going for longer. Easily monitor charge level with HyperX NGENUITY software.

90° rotating ear cups featuring LED lighting effects

Stylish LED ear cups that rotate to provide comfort when worn around your neck.

Signature HyperX comfort and durability

Stay comfortable even during long, late-night gaming sessions thanks to the memory foam ear cushions and adjustable steel slider.

Convenient ear cup audio and mic controls

Quickly access the controls for LED effects, mic mute, volume, and power on the ear cups.

^[1] Tested at 50% headphone volume.

Additional specifications
