 Allergy friendly disinfection

The Sandberg UV Sterilizer Box 7" USB is your new form of defence against viruses and bacteria on mobile phones, earbuds, car keys, spectacles, jewellery, etc. The construction of the UV light source in the box ensures 360° coverage of the devices by effective UV light. There is no need for batteries or even an additional AC charger. Simply connect the box to your mobile or tablet charger using the USB cable supplied. The box also features an optional fragrance aroma function.
