**Rethink sling.**

Secure. Slim. Smart. Protective.  
Wear our sling on the front or back for ease of use, or security while on the move.

Made for urban environments, the Slingshot Edge is designed to keep your powerful and compact DSLR or CSC kit within quick reach. And your go-to tablet, smartphone, headphones, wallet and other essentials well organized.

Perfect for city streets, day tripping, exotic travel adventures, and any time you want to keep things light and easy.

Trusted  
Original™

## Slingshot Edge series

### Slingshot Edge 150 AW

### Slingshot Edge 250 AW

- Shoot out of the bag with super-quick, access to side pocket loaded with CSC or DSLR kit.
- You're free to move about with ease thanks to an incredibly slim design, padded backpad and a stability strap.
- Get protection for your photo and personal gear inside and out. Sling includes a fully adjustable and padded divider system and a built-in All Weather AW Cover™.
- Keep your devices with you – a separate pocket with CradleFit™ construction keeps a tablet safe from impact. A roomy open zone for personal gear holds smartphone, headphones, wallet, keys and other non-photo essentials.

**Materials:** N100 nylon with UTS coating, N210D HD Oxford nylon, stretch polyester

## Slingshot Edge 250 AW

Designed for ease and extra security. Rotate sling to front, unzip side-access pocket and grab kit while wearing. Body-side access to main compartment deters theft while on the move.

Contoured and padded backpad and sling strap provide comfort for a day of touring, photo walking and/or commuting.

Built-in All Weather AW Cover™ may be deployed to protect gear from rain, snow, dust and sand as needed.

Zippered front pocket includes pocket for a tablet, plus storage for sunglasses, wallet and other essentials.
