P533 **PENTA**
Stereo Gaming Headset

Articulated Boom Microphone

Whether you talk while gaming or want to call a friend, the integrated boom microphone ensures that your counterpart understands you clearly.

Strong Bass and Crisp Treble

Sturdy sound with powerful bass and crisp highs via 40 mm neodymium drivers.

High Comfort for Non-Stop Gaming Action

Optimal fitting through smooth, excellent sound sealing earpads and soft leatherette headband.

Enough Free Space for Unrestricted Gaming

The 1.2 m cable with TRRS connector enables compatibility with PC, Mac, Laptop, Tablet, Smartphone, Xbox, Playstation and other devices with 3.5 mm jack. Enough free moving space through 2 m extension cable with 2 x 3.5 mm jack.

Stable Carrying Case

So that your headphones reach your next LAN party without damage, your P533 comes in a stable travelling case.
