

# ergotron<sup>®</sup>

*moving you forward*

## **Neo-Flex<sup>®</sup> Lift Stands**

- Position LCD screens for maximum ergonomic comfort—promotes wellness in any work area
- Small footprint frees up your workspace and increases your efficiency
- Integrated base rollers enable 360° rotation of the stand so you can share your views with others
- Features our patented Constant Force™ (CF) technology that enables light touch adjustments without levers or knobs
- Five-inch (13 cm) height adjustment ergonomically accommodates average range of users
- Easy to use—simple installation and effortless operation
- Everything is included to neatly route cables behind the stand, out of the way
- Lift Stands meet the tip test requirements of UL specification 1678

## A NEO-FLEX LIFT STAND FOR EVERY COMPUTING CONFIGURATION

**Dual LCD Lift Stand** Affordable, height-adjustable dual-monitor stand for maximum productivity and comfort. Save time by using multiple applications at once—eliminate toggling back and forth between documents and programs.

**Widescreen Lift Stand** Upgrade your widescreen display with five-inch (13 cm) height adjustment, tilt, pan and portrait-to-landscape rotation for optimum viewing. Install displays at 3.5° or 8.5° upward angle for optimized viewing and 8° inward offset angle creating a view parabola for better sight lines.

**Combo Lift Stand** Simply combine your laptop with an LCD display and separate keyboard and mouse to create a productive dual-display configuration. Laptop can be configured on either the right or left side.
