HyperX Cloud Stinger Core – Gaming Headset (Black) (4P4F4AA)

Overview

Essential for PC gaming.

The HyperX Cloud Stinger™ Core is built for the PC gamer who wants great sound quality from a lightweight headset. This headset provides all the features that gamers need from their headset; great sound quality, comfort, convenience, and reliability. Cloud Stinger Core features convenient in-line audio controls and a PC extension cable with stereo and mic plugs. Adjustable steel sliders and soft ear cushions provide solid comfort, and the swiveling mic can be flipped up when it's not in use. It uses a closed-cup design and directional 40mm drivers to keep you immersed in your gaming entertainment. The Cloud Stinger Core is backed with a 2-year warranty and free tech support.

Lightweight comfort

This lightweight headset barely moves the scales at 215g with comfortable, soft, breathable ear cushions.

In-Line audio controls

Convenient in-line audio controls so you can adjust volume and mute your mic without having to dig into system menus.

Immersive in-game audio

The 40mm directional drivers and closed-cup design will help block out distractions to keep you in the game.

Adjustable steel sliders and noise cancellation microphone

The durable, adjustable solid steel sliders are built for reliability and the swiveling mic can be flipped up when it's not in use.
