

Nokia 150

Beautifully designed with a polycarbonate shell that keeps its colour even when scratched, the Nokia 150 stays looking great whatever life throws at you. With an impressive 2.4" screen and incredible battery life, you can now enjoy all your favourite features for longer.

Key features

- Never miss a moment – Thanks to its camera with flash, the Nokia 150 lets you capture all your favourite moments by day or night and share them using Bluetooth. What's more, you can rely on the built-in torchlight to help you find your way in the dark.
- Boundless battery - The Nokia 150's outstanding battery life lasts for up to 25 days standby on the dual SIM handset - and an amazing 31 days on the single SIM model. So you can stay connected when you need it most. And with a universal micro-USB charger, it's convenient and simple to recharge wherever you are.
- With a built-in FM radio and MP3 player, you can listen to the music you love or keep yourself entertained for hours with a classic game of Snake Xenzia or Nitro racing from Gameloft.
