

Wireless, Print, Scan, Copy, Photo and Send Mobile Fax

HP ENVY Pro 6420 All-In-One Printer

Handle it all from home. Print, scan, and copy everyday documents and more, and get a 35-page auto document feeder. Set up and connect on any device,¹ and get self-healing Wi-Fi™.²

Loaded with everything. Except complications.

- Work fast and hands-free—the 35-page auto-feeder helps you complete scan and copy jobs quickly.
- Easily print, scan, and copy everyday documents from your smartphone, using HP Smart app.¹
- Save time by sending a mobile fax from your smartphone, tablet, or PC for 24 months, with HP Smart app.⁵
- Easily handle tasks and get a lot from one device – print, scan, and copy.

Print then and there. From anywhere.¹

- Get started fast with simple setup that guides you through each step, using HP Smart app.¹
- Self-healing Wi-Fi™ automatically detects and resolves connectivity issues to help reduce interruptions.²
- Tap the Smart Tasks shortcut in HP Smart app for a shortcut on your phone.¹ Scan to cloud, email, and more.
- Get connected with Bluetooth® and start printing fast from your smartphone or tablet – easy setup.³

Quality you can count on

- Get rich black text and vibrant graphics for all your everyday and business documents and photos.
- Print more pages and change cartridges less often with Original HP high-yield cartridges.⁴

¹ Requires the HP Smart app download. For details on local printing requirements see hp.com/go/mobileprinting. Certain features/software are available in English language only. Internet access required and must be purchased separately. ² Wireless operations are compatible with 2.4 GHz and 5.0 GHz operations only. Learn more at hp.com/go/mobileprinting. Wi-Fi is a registered trademark of Wi-Fi Alliance®. ³ Mobile device needs to support Bluetooth v4.2+ and be enabled. A mobile app such as HP ePrint or HP Smart must be installed and opened for printing. Mobile device must be within 5 feet of the printer. For details, see hp.com/go/mobileprinting. Bluetooth is a trademark owned by its proprietor and used by HP under license. ⁴ Compared with standard-fill Original HP ink cartridges. High-yield ink cartridges not included; purchase separately. For more information, see hp.com/go/learnaboutsupplies. ⁵ Requires the HP Smart app download. For details on local printing requirements see hp.com/go/mobileprinting. Certain features/software are available in English language only. Internet access required and must be purchased separately. Fax capabilities are for sending a fax only and may require additional purchase. For more information, see hpsmart.com/mobile-fax.

Technical specifications

AIO functions	Wireless, Print, Scan, Copy, Photo and Send Mobile Fax

¹ Either after first page or after first set of ISO test pages. For details see hp.com/go/printerclaims

² Wireless performance is dependent upon physical environment and distance from the access point. Wireless operations are compatible with 2.4 GHz routers only; excludes wireless direct. Wireless direct may require driver or apps be installed and connected on wireless-enabled mobile device or PC. Wireless functionality may vary by computer and mobile operating systems, see hpconnected.com. HP ePrint requires account registration, HP ePrint-enabled printer, Internet connection, and a wireless-enabled mobile device or Internet-connected computer with email capability. Separately purchased data plans or usage fees may apply. Print times and connection speeds may vary. AirPrint supports OS X Lion, OS X Mountain Lion and the following devices running iOS 4.2 or later: iPad®, iPhone® (3GS or later), iPod touch® (3rd generation or later) and requires the printer be connected to the same network as your OS X or iOS device. AirPrint, the AirPrint Logo, iPad, iPhone, and iPod touch are trademarks of Apple® Inc. Windows is a trademark of the Microsoft group of companies. BlackBerry® names and logos are the property of Research In Motion Limited. Android is a trademark of Google Inc.

³ Speed specifications have been updated to reflect current industry testing methods.

⁴ Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet products, and enables appropriate deployment of printers and MFPS to satisfy the demands of connected individuals or groups.

⁵ HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement

⁶ Dimensions vary as per configuration

⁷ Weight varies as per configuration

⁸ Power measurements are based on ENERGY STAR® OM test procedure with 230 VAC, 50 Hz input.

⁹ Approximate yield. Actual yield depends on printer and specific use. See hp.com/go/pageyield for more information.

¹⁰ Available in selected countries only.

¹¹ Set by Fax service Provider.
