

HP M34d WQHD Curved Monitor

Immerse Yourself in the Curve.

Find more room to play or work in the M34d WQHD Curved Monitor with built-in audio. Immerse yourself in its ultrawide screen that's proven to keep you up to 33% more focused¹, compared to a smaller screen.

Ultrawide. Ultra Immersive.

Find more room to play or work in this 34-inch diagonal curved monitor with WQHD resolution and fully immerse yourself with an integrated speaker. This monitor is truly ideal for multitaskers and those that want to stay focused, accomplish more, and thrive.

Clear the Clutter

Cut out all the cords and streamline down to a single, solitary USB-C^{®2} cable that shuttles data, display, and power to your machine. Ah, that feels good.

Be Comfortable

Optimize your focus and efficiency with all the ergonomic settings you desire. Slide in your perfect height or tilt with a fingertip. Be comfortable with low blue light mode and flicker free technology to keep your eyes from straining at any angle.

Looks Good, Does Good

This monitor looks as good as it acts. Made with 85% post-consumer recycled plastic and sustainably sourced and recyclable packaging³. It saves tons of energy to boot, certified ENERGY STAR^{®4} and TCO, and registered EPEAT^{®5}.

HP M34d WQHD Curved Monitor

Featuring

Ports For Everything

Plenty of ports to connect multiple devices.

Two Computers. One Screen.

Display two computers on one monitor with Picture By Picture (PBP).

Access Two Computers with One Mouse and Keyboard

Integrated KVM switch enables you to seamlessly transition between two computers.

Ultra WQHD Curved 34-inch screen

The curved display surrounds you with 5 million pixels for captivating definition and ultra-sharp details.

Picture Perfect Resolution

Give all your entertainment a new level of immersion with impressive 3440 x 1440 resolution.

Highly Accurate Color

99% sRGB color space for ideal color reproduction.

USB-C® Power Delivery

Connect and charge with one cable and 65W power delivery.

Integrated Speakers

No need to buy external speakers for great audio. With integrated speakers this display is ready to go once you're connected.

Height Adjustable Stand

Easily adjust your monitor to work comfortably.

Share the Panoramic View

Ultra-wide 178-degree viewing angles with consistent detail and vibrant color.

Low Blue Light

Using the Low Blue Light mode subtly shifts your display's colors to a warmer spectrum, while making whites more natural and putting less strain on your eyes.
