Highlights

15 hours play time.

You get 15 hours playtime, and the 32 mm neodymium acoustic drivers give you crisp sound and punchy bass. A full charge takes between two and three hours

2-3 hour charging time.

A full charge takes between two and three hours.

32 mm neodymium driver

32 mm neodymium acoustic drivers give you crisp sound and punchy bass.

Noise and echo cancellation

No more of those annoying echoes when you are talking on the phone. With our acoustic echo cancellation, you always get a clear, undisturbed connection.

Easy to move

The ear cups fold flat and swivel inward, for easy storage in your pocket or bag. Just fold them up and bring them with you.

Lightweight headband

Weighing just 195 g, these wireless on-ear headphones let you rock your sounds in real comfort.

Multi-function button.

Easily control music and calls via the multi-function button. Don't like the current track. Skip it with a long press. Want to reject a call and keep listening. A simple button-press takes care of that.

Ear and headband cushions

Soft, breathable cushions provide great comfort over long listening sessions.

Weight is just 195 g.

Weighing just 195 g, these wireless on-ear headphones let you rock your sounds in real comfort.
